YOUR RESPONSIBILITIES

IF YOUR KLAS PRODUCT IS CAPABLE OF STORING SOFTWARE PROGRAMS, DATA AND OTHER INFORMATION, YOU SHOULD MAKE PERIODIC BACKUP COPIES OF THE INFORMATION CONTAINED ON THE STORAGE MEDIA TO PROTECT THE CONTENTS AND AS A PRECAUTION AGAINST POSSIBLE OPERATIONAL FAILURES.

Before receiving warranty service, Klas or its agents may require that you furnish proof of purchase details and/or Klas Product serial number and respond to questions designed to assist with diagnosing potential issues and follow Klas's procedures for obtaining warranty service. Before submitting your Klas Product for warranty service you should maintain a separate backup copy of the contents of its storage media, remove all personal information that you want to protect and disable all security passwords.

DURING WARRANTY SERVICE IT IS POSSIBLE THAT THE CONTENTS OF THE KLAS PRODUCT'S STORAGE MEDIA WILL BE LOST, REPLACED OR REFORMATTED. IN SUCH AN EVENT KLAS AND ITS AGENTS ARE NOT RESPONSIBLE FOR ANY LOSS OF SOFTWARE PROGRAMS, DATA OR OTHER INFORMATION CONTAINED ON THE STORAGE MEDIA OR ANY OTHER PART OF THE KLAS PRODUCT SERVICED.

Following warranty service your Klas Product or a replacement device will be returned to you as your Klas Product was configured when originally purchased, subject to applicable updates. Klas may install system software updates as part of warranty service that will prevent the Klas Product from reverting to an earlier version of the system software. Third party applications installed on the Klas Product may not be compatible or work with the Klas Product as a result of the system software update. You will be responsible for reinstalling all other software programs, data and information. Recovery and reinstallation of other software programs, data and information are not covered under this Warranty.

WHAT WILL KLAS DO IN THE EVENT OF A VALID WARRANTY CLAIM?

If during the Warranty Period you submit a claim to Klas in accordance with this warranty, Klas will, at its option:

(i) repair the Klas Product using new or previously used parts that are equivalent to new in performance and reliability,

(ii) replace the Klas Product with the same model (or with your consent a product that has similar functionality) formed from new and/or previously used parts that are equivalent to new in performance and reliability, or

(iii) exchange the Klas Product for a refund of your purchase price.

A replacement part or Klas Product that has been installed in accordance with instructions provided by Klas, assumes the remaining term of the Warranty or ninety (90) days from the date of replacement or repair, whichever provides longer coverage for you. When a Klas Product or part is replaced or a refund provided, any replacement item becomes your property and the replaced or refunded item becomes Klas's property.
